JA GOLF MARATHON

May The Course Be With You!

Not long ago, on a golf course not too far away...

Join us at Junior Achievement's 100-hole Golf Marathon! Whether you play 18 holes or 100 holes; stay all day or just for a few hours, you'll be supporting JA by raising money through peer to peer fundraising or a sponsorship!

Golfing, connecting with colleagues, and raising funds to support JA programs are all things you'll get to experience during Golf Marathon. All proceeds go to supporting our community's next generation by providing essential skills such as financial literacy, workforce readiness, and entrepreneurship.
