

Name: _____

Complete this Personal Reflection Student Summary and submit as directed by your teacher.

Pick the three industries you explored during the *JA JobSpark*® Virtual Career Expo:

- Advanced Manufacturing, Engineering, & Logistics
- Agriculture, Food, & Natural Resources
- Architecture, Engineering, & Construction
- Business, Finance, & Marketing
- Government, Law, & Public Service
- Health & Life Sciences
- Hospitality, Tourism, & Arts
- Information Technology

Within these industries, what types of careers are you interested in?

Choose one and explain why the area interests you.

Describe three (3) things that you learned about this industry that you did not know.

What type of education or training do you need to get started in this industry?

What kinds of skills do you need to succeed in this industry?

(FOR EXAMPLE: creative thinking, math skills, writing ability, presentation skills, public speaking)
