

To Change our economy, Start with Education.

- ✓ **“Top Talent”**: largely “get it” and excel regardless the learning environment, likely will leave the region.
- ✓ **“Middle 50”**: or forgotten 50, are our biggest opportunity. Flipping these kids from “uninspired” to “inspired” is ***the regional game changer*** ... and **these kids are likely to stay in the region**
- ✓ ***3DE is aimed right at the Public Schools where 90% of all our school age children reside!***

“Strong public schools equals stronger communities!” Jennifer Matthias, FWCS Schools Board Member
