Open [JA Here to Career®](#) and be sure to login if you have made an account. Click on the **Career Exploration** tab at the top of the page to find a list of career clusters. Looking back at the Industry Cluster Worksheet and the *JA Here to Career* Exploration Activity from Session Two, find two or three careers you would like to explore from either clicking on an industry cluster or searching for a career. Once you've clicked on a career, scroll down to the **Employers** section. There, you can choose which companies you would like to learn more about.

After selecting the companies that interest you, take time to learn more about who they are and what they do. You can explore details through *JA Here to Career* or by visiting their website. Once you've reviewed each company, write a short description in the space provided.
