To assure quality programming, Junior Achievement USA® requires verification of the total number of instructional contact hours per student. (An instructional contact hour is a typical classroom period of 45-60 minutes.) Please help us adhere to this policy by providing verification of the following:

- Our school implemented
 - Traditional Lessons
 - Project-Based Learning Lessons
- The students from your school received the required minimum of 12 hours of in-class preparation prior to your school's simulation visit. (12 pre-visit/1 follow-up debrief activity).
 - Yes
 - No
- Beyond the minimum hours required, did you devote additional classroom hours to *JA Finance Park*?
 - Yes
 - No

* If you spent more than 12 hours in preparation, please indicate the differences on the attached form.

- Program requirements state that students should spend 4 hours at our on-site facility.
