What is JA JobSpark™?

JA JobSpark is a career and workforce ready initiative of Junior Achievement of Northern Indiana. This program connects thousands of area students to businesses and organizations in northern Indiana to "spark" their interest in careers and get them excited for their future. JA JobSpark provides the opportunity for students to learn about the skills needed for careers as well as the education or training necessary to achieve their career goals. JA JobSpark is an opportunity for area businesses and organizations to help build their future workforce!

JA JobSpark Career Expo November 12 & 13, 2024

Junior Achievement of Northern Indiana will host a two-day interactive career expo for 8th grade students in northeast Indiana. Students will take part in fun, interactive activities in various career clusters, explore new opportunities, and cultivate their interests in regional careers. They will learn about skills needed for jobs that will be in demand when they graduate while utilizing equipment that is used for those jobs daily. After the event, students will have a better understanding of the courses they will need to take in high school, a track for post-secondary, and a clear career pathway that aligns with their interests.

JA JobSpark Virtual Career Expo March 5 & 6, 2024

The JA JobSpark Virtual Career Expo brings schools and industry professionals together through a fun, engaging, and interactive experience to inspire and educate young people regarding future career opportunities. During the JA JobSpark Virtual event, students explore eight different industry clusters and learn about careers from our region through live industry cluster demonstrations, live industry Q&A's, on-the-job videos, and downloadable career information. Recorded presentations and videos and live industry cluster sessions are added throughout the year for expanded 24/7 student access.

For more information about JA JobSpark, contact Sue Jackson at (260) 484-2543 or sue.jackson@ja.org. You can also learn more at our website, jani.org.
